Michael-

Thank you for your email. You are correct that after careful review and based on the available information, it was determined that no additional investigation was warranted at this time. We appreciate your cooperation and prompt response to our requests.

As I mentioned during our visit, I would like for you to be involved in a discussion with myself, Dennie Poppe, and commissioner Chryst regarding issues related to sports wagering within the MAC conference. Would you be interested in participating and if so, are there some days during the month of November that you might be available?

Again, thank you for your cooperation and assistance with this matter. Please don't hesitate to contact either myself or Deana if you have any additional questions.

I am responding via my blackberry.

Rachel:

I wanted to follow-up from the meeting held at the U of Toledo during the week of October 9th. At the conclusion of the meeting, I asked what the next step would be and you indicated that you would respond. With the meeting occurring almost a month ago, I thought I should contact you. I would assume that nothing has come of this and that you had nothing to share. Any reply would be appreciated and feel free to contact me by phone as opposed to email if you wish- [REDACTED] is my cell.

Thank you and have a nice week.

Mike
