ABOUT THIS MAP
 This map, published exclusively in **The Blade** every Saturday, plots the location of crimes committed in the Toledo area. The information was compiled by Blade reporters from reports filed with police this week. In evaluating this map, readers should take into consideration that about two-thirds of the population of Lucas County is in the City of Toledo.

TOLEDO

Police seeking information on west-side bank robbery

Toledo police are seeking information through the Crime Stopper program about a bank robbery this week in West Toledo. A man wearing a ski mask and waving a handgun entered the KeyBank branch, 5740 Lewis Ave., about 9 a.m. Tuesday. He ordered everyone to the floor, jumped over the counter, and

took money from the tellers' drawers. He fled in a car that was stolen July 3 in South Toledo, police said. The robber was described as black, about 5 feet, 8 inches tall, and with a medium build. He was wearing dark clothing and gloves. He drove north out of the bank parking lot in a silver 1988

Oldsmobile Regency with Ohio license plates RMY3439. Anyone with information about the holdup is asked to call the Crime Stopper program. Callers may remain anonymous and may be eligible for a cash reward.

Suspect in theft of \$6,000 from UT safe still sought

University of Toledo police are looking for a man who is believed to have stolen \$6,000 from a safe in the ticket office on the north side of Savage Hall. The man entered the unlocked office with an open, two-tone bookbag on his left arm about 12:15 p.m. June 20 and took the money from the open safe. He left the office with the bookbag zipped up. No one was in the office at the time, police said.

The thief was described as black, in his late teens or early 20s, about 6 feet tall, and of medium build. He wore a "do-rag" on his head; a patterned, long-sleeve, button-down dress shirt; blue jeans; white tennis shoes, and a black baseball cap with writing on the front and a logo on the bill. Anyone with information is asked to call UT police at 419-530-2600 or the Toledo police Crime Stopper program.

Alexis-Douglas, I-75 are targeted

The intersection of Alexis and Douglas roads and I-75 between I-475 and Alexis will be the focuses of the special traffic enforcement program through July 23. Toledo police will crack down on speeding and other violations in those areas. Overtime paid to police is covered through a grant from state and federal agencies.
